

Afterschool Piano Exploration Classes

Ages 3 – 5

Thursdays from 3:30 – 4:15

Kiddy Keys is a fun, multi-faceted approach to teaching music to preschoolers. The program focuses on teaching piano concepts and music appreciation to children 2 1/2 to 5 years old. For students already enrolled in afterschool care, the cost per lesson is \$10. For those students who are not enrolled in afterschool care, the cost per lesson is \$12, to help cover the cost of supervision and snack.

A typical Kiddy Key Day would look like this:

- 3:00 – check into afterschool care and eat a snack
- 3:30 – Mrs. Bronaugh will pick up students from afterschool care and take them to the designated space for Kiddy Keys
- 4:15 – return students to afterschool care for pick-up

Interested students will need to contact the licensed instructor, Mrs. Bronaugh, to set up your specific instruction time – groups will be formed according to age.
