## New Student Referral Incentive Program

Many of our new families initially hear about Mary, Queen of the Holy Rosary School through a personal referral from an existing school family. The highest compliment our parents can give us is the referral of family and friends to our school. Now we want to reward you for promoting our school and for supporting us in our efforts to increase and sustain enrollment.

**The New Student Referral Incentive Program** awards currently enrolled Mary Queen families \$250 dollars at a time.

### *Here is how it works...*

We give you \$250 incentive credit towards your family's tuition for each new student who enrolls in our school program and attends for the 2014-2015 school year.

The referring family must have a currently enrolled student at Mary, Queen of the Holy Rosary School. If the referred family has attended Mary, Queen of the Holy Rosary School in the past, they must be in good standing with Mary, Queen of the Holy Rosary School for the referral certificate to be valid.

Referral family awards will be given to families bringing in new families to Mary, Queen of the Holy Rosary School. To qualify for the incentive, referred students cannot be a sibling of a student currently or previously enrolled at MQHR.

The referring family must complete the referral family certificate prior to June 1, 2014. An exception to that would be families enrolling after June 1, 2014 and the referral certificate must be in the school office prior to the first day of the month after the new family registers.

The program awards will be applied to the referring family in September 2014 and until then, the referring family will have to pay full 2014 – 2015 tuition. If the referred family has successfully enrolled, then the referring family will receive the tuition credit via Ren-Web. Families who have paid tuition in full will receive an incentive check equal to the amount of tuition credit.
