

Dear Fourth Grade Parents,

Research has shown that the single greatest factor in predicting future reading success is... reading to and with your child! This summer, we are asking that each child read a **biography or autobiography** of choice (see below for some ideas) and complete one of the activities that will be sent home in May. We have also included a list of other suggested books here to keep you reading all summer long!

Have a fantastic summer!

Mrs. Biega and Mrs. Jackson
