## What is the ELD program?

The English Language Development (ELD) program serves our English as a Second Language (ESL) students who are considered to be English Language Learners. These learners have different levels of English proficiency and benefit from extra support to further develop their English literacy skills. The ELD program is designed to help students meet learning targets set in their regular classroom.

Mary Queen celebrates our school's diversity, and we are better and stronger because of the different backgrounds and cultures our students and families represent. We are honored to partner with our diverse families in providing a nurturing and welcoming environment. We strive to provide a Catholic school education that is accessible for all students. The ELD program is a part of our mission to help all students succeed academically and socially.

### The program at a glance:

- ❖ Provide individual and small group instruction that meets each student's needs
- ❖ Provide instruction with a focus on content vocabulary
- ❖ Use language assessments to evaluate student progress
- ❖ Coordinate ELD instruction with classroom teachers to help increase academic performance
- ❖ Student-centered lessons that engage students in using their English skills.
- ❖ Offer students a variety of ways to communicate what they know

### Placement:

- ❖ Classroom teacher recommends
- ❖ Scores from the W-APT (WIDA-Access Placement Test)
- ❖ Maps scores
