

Mary Queen of the Holy Rosary Catholic School

A National Blue Ribbon School of Excellence

What is the Title I program?

Title I of the Elementary and Secondary Education Act (ESEA) provides assistance to schools with high numbers or high percentages of children from low-income families to help ensure that all children meet challenging academic standards. The funds, based on the public home school of our students, allow for a part time Title I certified teacher to tutor in our building during the school day.

The Title I program at Mary Queen is a math program that provides additional support for those students who may need extra assistance in math. The curriculum is based on identified student need.

Placement:

- ❖ Student's home public school must be a Title I school
- ❖ Identified and documented need in mathematics
