

Looking for **Battle of the Books** Coaches!

Do you like to read?

Can you help a small group of students in 2nd and 3rd, 4th and 5th, or 6th through 8th review books for a competition in the spring?

I will give you the list of books and an overview of what we need. Groups typically meet once a month.

Please contact Mrs. Hayes at

if you're interested in helping or for more details!

Thanks!
