

Summer Tutoring

Individual tutoring sessions will be offered in various subject areas, days and times. The cost of tutoring is determined by the length and number of sessions arranged with the tutor. Payment for the tutoring session(s) will be collected by the tutor on a weekly basis. The sessions will be held at the school. The number of sessions per week, the length of sessions, times, and the beginning and ending dates will be determined by the participating parties, please contact the tutors to set sessions up.
