SUMMER THEATRE CAMP 2019

JUNE 10th - 28th, 2019, Monday - Friday, 8:00am - 3:00pm

OUR CAMP MISSION...

The Summer Theatre Camp, STC, at Mary Queen School is a three week intensive experience specializing in the process and production of theatre. Young actors will collaborate immersing themselves in learning to act, sing, dance, design, and build their own production!

Aside from standardized testing, studies show theatre is beneficial and enhances a young person's self-confidence, their ability to collaborate, and improve problem solving skills. Practicing theatre increases memory, raises social awareness, bolsters their appreciation of aesthetics, differing cultures, and varying arts. Most importantly, participating in theatre improves concentration, imagination, and empathy all while providing a potential emotional outlet which is challenging and fun!

If you have specific questions or want to RSVP for a spot, please email Mike Meadors at mike.meadors@maryqueenschool.org. We look forward to working with your child this summer!
