Rebecca M. Brown
605 Hill 'N Dale Rd
Lexington, KY 40503

Dear Rebecca,

In times of great loss, we are left wondering how to best live out our faith in response. The devastation felt from the tornado outbreak across Kentucky is difficult to imagine. Feelings of fear, grief, and despair can be comforted with a compassionate presence offering help and hope.

Your gift of \$3,572.00 and \$7,755 in gift cards for the SCN Disaster Relief program will help provide humble reassurance and vital assistance as volunteers help individuals restore their lives. Thank you for your generous gift and your compassionate heart.

Each SCN disaster response team is trained and ready to serve in many capacities. Cutting and clearing brush, sorting through debris, organizing donated items and serving meals are some of the early response tasks. Repairing and rebuilding homes are some of the later response needs. No matter the skill level of the volunteer, each is asked to simply come with an open and caring heart to walk humbly with all whom they encounter – be it an individual who has experienced devastating loss, an exhausted or overwhelmed first responder, or fellowship with an individual needing to process all that their eyes have seen.

Your heartfelt gift allows the Sisters of Charity of Nazareth to be the hands and feet of Christ to those we serve.

Let us hold one another in prayer as together we witness to God's unfailing love and care.

With thanks and gratitude,

Luke Boiarski, SCN
Director of Lay Mission Volunteer Program

I wish you could have been with me when I distributed some of the gift cards. The smiles and tears were abundant. Coming back out again tomorrow!

Thank you very much.
